Re: C.A. B-96-203  
Edward Alcala, et al.  
vs. Alex Perez, et al.

Gentlemen:

I have a schedule problem which I need your help in resolving. Your case is set for August 15, 2001. I have a jury case which is to start on August 16, 2001. The problem arises if your case takes more than a day.

I have the following suggestions:

- a. Start your case on August 14, 2001.
- b. Reset your case to the week of August 20, 2001.
- c. Reset your case to a date of your choosing so long as it is before late September.

I apologize to you for the inconvenience this has caused you.

Very truly yours,

John Wm. Black  
United States Magistrate Judge
